1.Preamble:

It is mandatory for every Medical College in India to have a Pharmacovigilance Committee, as per regulations of National Medical Commission. Therefore, the Pharmacovigilance Committee of this Institute has been constituted.

2.Objectives:

1. To generate awareness about ADRs amongst health care providers and students of the institute, by different activities.
2. To identify ADRs occurring in the patients coming to the institute for treatment and to report the same to the appropriate authorities.
3. To carryout causality assessment of ADRs
4. To undertake scientific and research activities pertaining to ADRs.
5. To takeup activities to strengthen the ongoing National Pharmacovigilance Programme.

Scope of the Committee:

The committee shall meet once in 2-3months. The committee shall be responsible for planning, implementing and monitoring of various activities of the Pharmacovigilance Programme of India (PvPI).
